AND IN THE MATTER OF AN APPLICATION BY PETER IVAN DUNNE

PUBLIC OFFICE

*(including extradition judgments, conviction judgments, Statement of Offences / magistrate

CRITICAL URGENCY & HUMANITARIAN BASIS

THIS APPLICATION IS EXTREMELY TIME-SENSITIVE

Correction:

The Applicant is in a state of **absolute destitution, homelessness, and critical food insecurity**,
caused directly by the unlawful actions of the Respondents.

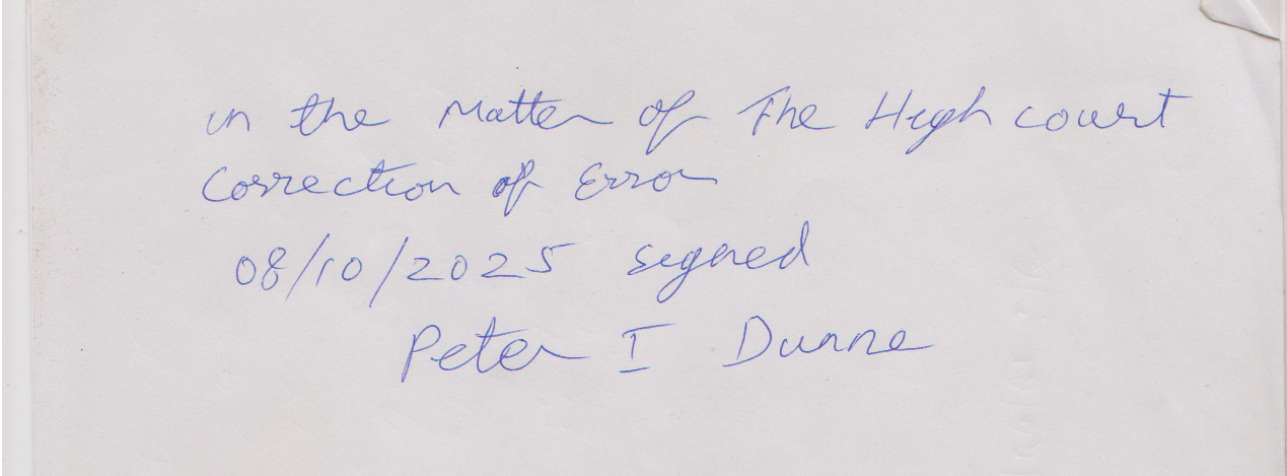

Applicant's daughter and estranged wife have also been rendered homeless and compelled to
leave Europe entirely as consequence of the unlawful actions of the Respondents.

The original filing was incorrect, it stated: The Applicant, together with dependent and affected parties, is in a state of **absolute destitution, homelessness, and critical food insecurity**, caused directly by the unlawful actions of the Respondents.

The Applicant did not intend that statement, it is a side effect of using automation to assist in preparing the filings as I have no assistance, no access to counsel and no formal law training, having been compelled to learn and study law outside normal educational settings as a survival necessity.

As I do not have a functioning printer, I could not print, sign and scan documentation, I have therefore handwritten signature for inclusion as signature to these documents.

These documents have been prepared in good faith to the best of my recollection and knowledge of the facts in this matter.
